### SAMUEL "SAMMY" HARRIS, SR "GREATLY LOVED, GREATLY MISSED"

We will always love Sammy Harris. He was a dedicated friend of the Jacksonville Community Commission and member of the Jacksonville Community. Sammy supported the Sweet Potato Festival from the very beginning. As a former employee and #1 salesman of Milton Reuben Motors, Inc. Sammy used a car from Milton Reuben each year to drive the Sweet Potato Queen in the local Midland Valley Christmas Parade. We could count on him every year. As a member of the Jacksonville Community, he always gave a helping hand to his church, community, and the CSRA at large. We will always remember Sammy, especially his warm smile and loving heart.
